EXPERIENCE

3 Day Startup Austin Tech Recruitment Lead (2014 - present)
▸ Led a crash course on the 3DS process for developing a startup
▸ Promoted the event across campus and to tech organizations
▸ Interviewed and evaluated potential participants

Stand Manager, American Fireworks (2014 - present, seasonal)
▸ Managed daily operations including inventory and finances
▸ Trained new employees
▸ Increased stand sales by over 15%

QA Analyst, uSync (08/2014 - 12/2014)
▸ Developed detailed test plans for the software solution on multiple devices
▸ Identified bugs quickly and communicated them to the developer
▸ Collaborated on improving the solution and introduced new potential features

PROJECTS

▸ *JessicaSlaughter.co* - A lifestyle blog I developed on WordPress using the Genesis Framework, HTML, CSS, and JavaScript. Through this blog I provide college and healthy living tips to young women, as well as teach others how to start successful blogs of their own. It currently has a reach of 50k+ monthly pageviews.

SKILLS

▸ C/C++, HTML, CSS, JavaScript, Adobe Illustrator/Photoshop, WordPress
